

# NORTHERN LIGHTS INTERGROUP

## RETREAT SUBSIDIES

### Subsidies:

- Are available to any OA member who is experiencing financial hardship.
- Apply only to the cost of the sessions (NOT for accommodations or meals),
- Do not require any proof of financial need.
- Cover 100% of the amount of the sessions based on early bird cost.

In honoring Tradition Seven, any member who has received two subsidies within the previous three years will be denied.

### Number of subsidies available per retreat:

- Two from NLI.
- When a Special Donation is received from a group for purposes of subsidizing that group's members, these monies will be given to the Treasurer and the Registration Person will be informed of the donation. Should the entire donation not be used by that group's members, it will be made available to other applicants

### If the number of applications exceeds the available subsidies:

- Any member who received a subsidy at the previous retreat ~~may~~ would have their application denied to allow others an opportunity to attend.
- If more persons apply and none received a subsidy at the last retreat, then a draw will determine who is given the subsidy.

### How to apply:

- Submit your name, address, phone number and email address with your request for subsidy,
- Deliver by hand, mail or email to the person collecting the registrations.

### Deadline:

- Same as early bird deadline on retreat flyer.

### Selection:

- By the NLI chair and the person collecting the registrations
- The member applying for the subsidy will be notified by hand, mail or email.
